

DUALFACE PILLOW

Rounded edges perforated pillow over the two sides composed of a moulding of two very ergonomic materials. One side in very ergonomic **aloe vera Biomemory** that fits perfectly to the head and one side in very elastic lifting **gel foam** and fresh that matches very well to the biomemory below. A perfect synergy able to give outstanding ergonomic performance to the head and the spine.

Size: 72x42 H. 14 cm

ALOE VERA SIDE (WINTER)

Side of the rounded edges perforated pillow consisting of a water and essential oils foamed biomemory in natural green aloe vera, very ergonomic and comfortable. Shape memory Biomemory is recommended during the WINTER months.

GEL FOAM (SUMMER)

Side of the rounded edges perforated pillow consisting of a water-expanded GEL foam very elastic and refreshing, white in colour. The gel foam is very comfortable and supported at the same time. It is recommended especially during the SUMMER months.

Biomemory Aloe: Natural viscoelastic material made from water, soya and 5 essential oils with amazing capacity to adapt to the body shape. Anallergic and ergonomic.

Essential oils: The essential oils are inserted into the biomemory, and are non-oily and highly volatile substances.

Water foam: Anallergic water foam, open cell body retaining. This material is totally non-toxic, breathable and antibacterial.

Geo Traspirante: exclusive breathing system applied to the mattress, that prevents the moisture stagnating inside the layer.

Health product: This mark certifies the product is non-toxic and healthy, containing no toxic substances for human health.

Hypoallergenic: symbol that guarantees the reduction of bacteria and mites in the bed.

OEKO TEX STANDARD 100 certifies that the products pose no risk to human health and the environment because they contain no toxic substances. The certificate ensures that the products are manufactured in compliance with the requirements of the European ecological standards.

Guaranteed in time: This label certifies that all the materials inside the mattress are pressed by a special press. This type of processing called **TEST FREE PRESS** certifies that our mattresses pass all the most severe deformation TESTS. Our mattresses therefore can boast a long life.

SOAP ACQUACELL PILLOW CERVICAL ACQUACELL PILLOW

WASHABLE PILLOWS
